Two ways to order Kits

1. Distributor places order

Order from back office.
Distributor delivers or
Distributor ships to customer
At that time Distributor orders
free product to include in
customers order

2. Customer Places Order

Help customer sign up as a
PC then help them order
products from Distributors
www.motivescosmetics/____
or Distributors
www.shop.com/____
Distributor then either ships
Or hand delivers free product
that Distributor has ordered
from their back office
